All wages paid shall comply with work classifications of craftsmen employed on this project.

V. ADDITIONAL WORK

Contractor shall perform the work strictly in accordance with the specifications hereto attached or referenced herein and no additions shall be made therein except upon the written approval of both Contractor and Owner. Such written approval shall specify the amount to be added to the contract price by reason of such additions. These additions shall be made by written and signed field order change or specific change orders. No additional work shall be performed without customer representative signature of authorization.

VI. COMPLETION

Time is of the essence of this agreement. The Contractor will pursue the project to completion with due diligence to complete on the date agreed upon if a date is provided. Delays due to weather, strikes, and Acts of God or other acts beyond the control of the Contractor shall be considered legal and acceptable reasons for non-completion and justification for an extension of the completion time.

VII. PROJECT CONTROL

Atlas Building Services, Inc., will have custody, control, and care only to the immediate scaffold areas they are working upon at any given time. Custody, control, and care of adjoining areas will be transferred only upon prior written consent of Owner. Contractor will consider himself a "Guest of the House," having control only over the immediate area he is working on in a given work day.

VIII. HAZARDOUS MATERIAL - CONDITIONS NOTICE

It is the understanding of the Contractor that, unless otherwise specifically notified, the Owner with this contract signing declares the absence of any conditions on the work site which are considered unsafe under the Hazardous Materials and Conditions Regulations of the Occupational Safety and Health Act of 1970 and shall assume all responsibility for the identification, assessments, and correction or remediation of such conditions. This statement also extends to mold or other fungi, or bacteria, in any form, whether present during the duration of this contract or after performance of our services on the project site.

IX. UNFORESEEN, CONCEALED OR DIFFERING CONDITIONS

Any conditions which arise that were unforeseen, concealed or differing in nature from those presented or visible at time of quotation and/or contract and which create additional costs for the Contractor, shall be basis for claims for additional payments from the Owner.

X. DELAY

The Owner may be held responsible for costs incurred by the Contractor due to any Owner's actions, which create unusual or unreasonable delay in the progress of the Contractor on the project.

XI. COMPLETION NOTICE

Upon substantial completion of the project, an authorized representative of both Owner and Contractor shall inspect the project together. Notice of satisfactory completion shall be indicated by Owner's signature on Contractor's standard Completion Notice form. Any return trips to complete post-inspection items not identified on the Completion Notice form shall incur an additional mobilization/demobilization charge as part of this agreement. Failure to participate in this completion inspection may constitute implied acceptance by the Owner.

XII. ENCUMBRANCES

Upon receiving payment from the Owner of all monies due under this agreement, including the payment of any promissory notes, both principal and interest, in full, Contractor agrees to cause all claims, liens and encumbrances incurred by the Contractor and against the premises upon which work was performed by Contractor of record to be cancelled. Upon request, a Waiver of Lien shall be provided.

XIII. LEGAL PARTIES

This agreement shall insure to the benefit of and be binding upon the parties hereto, their heirs, administrators, executors and successors.

XIV. CONTRACTUAL LAW & DISPUTES OR CLAIMS

This agreement and the terms and conditions therein contained shall be interpreted under and controlled by the laws of the State of Indiana.

Any disputes or claims, which may arise out of the performance or execution of this contract, shall be resolved by mediation or alternate dispute resolution in a prompt fashion.

XV. GUARANTEES

Upon completion of the project and fulfillment of all contractual obligations by both parties including payment of all agreed upon sums, the Contractor shall provide, at Owner's request, a statement of all guarantees that apply to this project.

If there are no stipulated guarantees in the proposal, the Contractor automatically guarantees its labor performed and material supplied for a period of one (1) year

from the date of substantial completion. This warranty is subject to revision or may become void for damage to our work by others, vandalism, unforeseen or unknown building movement, or acts of God.

XVI. PERMITS AND FEES

If required, Contractor agrees to apply for locally required permits, the costs of which to be reimbursed by the owner.

IN WITNESS OF AGREEMENT THEREOF, the parties both set their signatures below and in duplicate.
